Maintenance Specialist

FUNCIONES A DESEMPEÑAR Y DETALLES DE LA OFERTA

Your mission as a Maintenance Specialist is to manage the preventive and corrective maintenance services in order to preserve Desigual's facilities (Headquarters office, points of sale (POS), ...) in proper conditions, ensuring its availability and usability to perform the daily activity of the business and guaranteeing that the Company has the most suitable working environment for its stakeholders (clients, employees, etc.).

As a maintenance technician you will be responsible for...

- Incidence management
- Manage and follow-up any incident affecting the integrity of Desigual's facilities (Headquarters office, POS...) by responding to requests and providing solutions to get back to an operating state.
- Visit and supervise the conditions of the facilities to ensure their full availability for the daily activity.
- Coordination with external stakeholders
- Manage Desigual's corrective and preventive facilities maintenance (POS, Headquarters office, ...) by coordinating the maintenance services and ensuring that technical, health, security and legal requirements and standards are correctly implemented, in order to ensure efficient maintenance service delivery in terms of cost, time and quality.
- Manage official inspections and initiate corrective measures when necessary.
- Coordinate and communicate with insurance companies to manage incidents when required.
- Purchasing order processing
- Manage purchasing orders for corrective and preventive maintenance

PERFIL REQUERIDO

You are the candidate we are looking for if you ...

- Have previous experience in facilities management (is plus for internal)

- Have fluent Level of Spanish, English
- Have German at an intermediate/high level
- Have client and result orientation and good communication skills
- Are a problem solving person and are used to work under pressure

We offer you...

- Fun & Profit: An international company with a fun, hardworking and dynamic atmosphere
- Test & Learn: Our work ethics involves trying out new things and don't be afraid of making mistakes
- Express Yourself and Creative Freedom: Be yourself and let your creativity flow!
- Caring HQ: Healthy lunch in our Canteen, sports club, free coffee, 50% discount, Flexible timetables and much more!

DESCRIPCIÓN DE LA EMPRESA

Eres una persona auténtica y diferente. Nosotros, también. Quieres seguir siendo tú pero hacer cosas diferentes. Aprender algo nuevo todos los días, en contacto con gente de todo el mundo. Por eso, queremos invitarte a cambiar, crecer y mejorar, y nosotros lo haremos contigo.

Nuestra historia explica lo que somos y lo que hacemos. Desigual nació en Ibiza en 1984, de la idea creativa de Thomas Meyer, que hoy es nuestro Presidente. Nos define nuestro estilo único, optimista y colorista, que celebra la diferencia. Un mensaje que trasladamos a nuestros diseños y también a nuestra manera de trabajar en nuestras oficinas centrales, situadas en la playa de Barcelona. Nuestras creaciones se inspiran en el Mediterráneo, el sol, la luz y las ganas de vivir. Lo que nos mueve es ofrecer a nuestros clientes una experiencia positiva, con nuestro producto y con nuestra marca y disfrutar del momento.
